Welcome to VINELink, an online portal to VINE, America’s number one victim notification network. VINE has been providing victims and concerned citizens with the power of information for decades, allowing these individuals to have the sense of security that they deserve. VINELink can be accessed 24 hours a day, seven days a week, to provide the most reliable information for custody status changes and criminal case information.

The VINE service provides information by phone, email, TTY, and text message where available. You may also sign up through your participating state, or county’s toll-free number.
