

VINE is an automated service that allows you to track an offender's custody status over the phone or Internet. You can register to be notified by phone, text and/or email if an offender is released, transferred, or escapes.

Write down the following information, tear off this panel, and keep in a safe place:

Offender name

Offender/Booking Number

Your four-digit PIN

Search for "VINELink"
from your mobile device app store.

VINE Facts:

- If you feel you are in danger, call 911 immediately.
- VINE is confidential. The offender will not know you are registered with this service.
- VINE only provides information on offenders in custody in Colorado.
- Since VINE calls automatically when an offender's custody status changes, you may get a call from VINE in the middle of the night.
- Write down your PIN and keep it in a safe place. For safety reasons, do not share this information with others.
- If you do not answer a notification call, VINE will leave a message and will continue calling back until you enter your PIN or until up to 24 hours have passed.
- Do not register a phone number that rings to a switchboard.
- You can register multiple phone numbers and email addresses for notifications.
- If you forget your PIN, call the toll-free number and press zero. You will be transferred to an operator who can help you reset your PIN or cancel notification.
- Operators are available 24 hours a day, seven days a week to assist you.

IMPORTANT!

IF YOUR PHONE NUMBER OR EMAIL CHANGES, IT IS YOUR RESPONSIBILITY to call VINE at 1-888-263-8463 or go to www.vinelink.com and follow the instructions on how to change your phone, text or email registration. Unless you make such changes, VINE will be unable to contact you when necessary.
