Victim Information and Notification Everyday

VINE® is America's leading victim notification network, empowering victims and concerned citizens with timely and reliable information regarding offenders.

APPRISSAFETY.COM/VINE

- ❖ Colorado VINE is a proactive notification system that alerts victim/survivors when an offender's custody status changes, providing them with peace of mind.
- ❖ Colorado VINE provides victim advocates a way to empower victim/survivors by assisting them in creating their safety plan using the information VINE can provide.

Overview of VINE

VINE is a free service that offers peace of mind to victims of crime by providing access to timely and reliable offender information. Victims have the ability to call a toll-free number, visit www.vinelink.com, or use the VINELink mobile app to anonymously check on an offender's custody status. Victims can also register to receive automated notifications about changes in custody status via their choice of delivery method: in-app, phone, email, text, or TTY (hearing impaired) service.
