## ONSITE TRAINING

Colorado VINE (Victim Information and Notification Everyday) is a statewide service sponsored by the County Sheriffs of Colorado. VINELink is a valuable tool used to register victims/survivors for notification of changes in offender custody status, as well as, search for important Colorado Service Provider information.

### DURING THIS SESSION, YOU WILL LEARN

- Colorado VINE's benefit to victims of crime, law enforcement, advocates, and criminal justice personnel
- The important role of booking data
- How to search for offender custody
- How to get notified of status updates
- Key Colorado VINE features, including user accounts and recent updates
- How to join Colorado VINE's comprehensive Service Provider Directory

### Location:

Alamosa Police  
Department  
502 Second St.

We are glad to offer this training at no cost, so please encourage others in your agency to attend with you!
